

Dead Warrior is not a complete game, we apologize for any problems or bugs that may appear.

The Game

Dead Warrior tells the story of a mercenary caught in a dungeon. To escape should defeat their enemies and find the exit destroying the obstacles in this path.

On each map the warrior must find his bomb box to break through some walls, collect the key and reach the door that opens the way to the next level. Be careful, some door have traps, remember to take the key.
